

Minifold under floor manifold system (key features listed right)**Minifold UFH system** - compact UFH thermoplastic manifold systems**description**

description	product code	price
2 port MiniFold 1" manifolds	BYC00002000	£131.60
3 port MiniFold 1" manifolds	BYC00003000	£159.88
4 port MiniFold 1" manifolds	BYC00004000	£190.12
5 port MiniFold 1" manifolds	BYC00005000	£220.08
6 port MiniFold 1" manifolds	BYC00006000	£248.64
7 port MiniFold 1" manifolds	BYC00007000	£277.20
8 port MiniFold 1" manifolds	BYC00008000	£308.56
9 port MiniFold 1" manifolds	BYC00009000	£341.88
10 port MiniFold 1" manifolds	BYC00010000	£373.80

Thermo electric actuators

240v UFH Manifold Actuator 2 wire	ACC00000035	£29.98
240v UFH Manifold Actuator 4 wire	ACC00000051	£29.98

EUROCONE fittings for minifold underfloor manifolds

Eurocone fittings to connect 16mm OD plastic pipe	RAC00000056	£3.86
---	-------------	-------

MINIFOLD manifolds

key features:
Compact domestic UFH unit

Ecomix with 1" connections

Compatible with most 1" manifolds

Or
Use with compact manifolds

Lightweight and robust

Cost effective and innovative

36

under floor heating
blending valves

key features:
Reduces temperature
to protect floors

High flow rates

Adjustable temperature
settings

Under floor heating blending valves (key features listed left)

description

Maxi-Tflo 1" blending valves 30° - 50°C

Maxi-Tflo 28mm blending valve 30° - 50°C

T Plas pre-assembled thermoplastic distribution sets for under floor heating

(key features listed right) Thermoplastic manifolds (2 per set, flow and return), with AAV, drain/fill. 1¼" Brass inlet. Thermostatic actuator option. Modular design allows sets to be added to by purchasing extra segments, or by removing segments. Note - not supplied with Eurocone pipe connections - order separately.

description	product code	price
T Plas modular plastic under floor manifolds 2 + 2 connections	FLM00002022	£157.72
T Plas modular plastic under floor manifolds 3 + 3 connections	FLM00003022	£197.43
T Plas modular plastic under floor manifolds 4 + 4 connections	FLM00004022	£233.94
T Plas modular plastic under floor manifolds 5 + 5 connections	FLM00005022	£264.56
T Plas modular plastic under floor manifolds 6 + 6 connections	FLM00006022	£299.85
T Plas modular plastic under floor manifolds 7 + 7 connections	FLM00007022	£334.68
T Plas modular plastic under floor manifolds 8 + 8 connections	FLM00008022	£420.08
T Plas modular plastic under floor manifolds 9 + 9 connections	FLM00009022	£436.05
T Plas modular plastic under floor manifolds 10 + 10 connections	FLM00010022	£473.16
T Plas modular plastic under floor manifolds 11 + 11 connections	FLM00011022	£510.57
T Plas modular plastic under floor manifolds 12 + 12 connections	FLM00012022	£547.96
T Plas modular plastic under floor manifolds 13 + 13 connections	FLM00013022	£626.87
T Plas modular plastic under floor manifolds 14 + 14 connections	FLM00014022	£664.82
T Plas modular plastic under floor manifolds 15 + 15 connections	FLM00015022	£706.71

T Plas under floor modular thermoplastic manifold components for self assembly

Note - not supplied with Eurocone pipe connections - order separately.

T Plas 1¼" manifold header pack (plastic 1¼" headers Flow/Return, 2 x Airvent segments, plastic end plates, brackets)	KIT00255000	£74.36
T Plas 1¼" manifold header pack (brass 1¼" headers Flow/Return, 2 x Airvent segments, plastic end plates, brackets)	KIT00255002	£74.36
T Plas 1" manifold header pack (brass 1" headers Flow/Return, 2 x Airvent segments, plastic end plates, brackets)	KIT00255003	£74.36
T Plas modular segment - block for use with thermostatic regulation - black - not supplied with Eurocone	FLM00200147	£17.05
T Plas modular segment - return block, with flow indicator - black - not supplied with Eurocone	FLM00200161	£15.01

*a typical component kit

Threaded rods for modular assembly of Tplas manifolds

Stainless steel threaded rod kit - 4 x 1M lengths plus 8 stainless steel nuts	BAR00000102	£32.41
M8 Stainless steel nuts (100)	M8SSN	£14.95
Plastic cap for covering nut (100)	RIC 00000100	£11.86

Thermo electric actuators - for Tplas manifolds

24v 2 wire manifold actuator	ACC00000035	£29.98
230v 2 wire manifold actuator	ACC00000051	£29.98

Eurocone fittings for T Plas manifolds

Eurocone fittings to connect 16mm OD x 1.5 plastic pipe	RAC00000056	£3.86
---	-------------	-------

key features:
Lightweight thermoplastic
construction

Increased flow rates

Modular construction

Components available
as separates

Built in airvents

Up to 20mm pipe size

Brass threaded inserts
